United Nations E/RES/2014/9

Economic and Social Council

Distr.: General
14 August 2014

2014 session
Item 16 (*a*) of the provisional agenda*

Resolution adopted by the Economic and Social Council on 13 June 2014

[*on a proposal considered in plenary meeting (E/2014/L.15)*]

2014/9. Report of the Committee for Development Policy

The Economic and Social Council,

Recalling General Assembly resolutions 59/209 of 20 December 2004 and 67/221 of 21 December 2012, both on a smooth transition strategy for countries graduating from the category of least developed countries, and resolution 65/280 of 17 June 2011, by which the Assembly endorsed the Istanbul Declaration and the Programme of Action for the Least Developed Countries for the Decade 2011–2020,[1]

Recalling also General Assembly resolution 68/18 of 4 December 2013, by which the Assembly took note of the endorsement by the Economic and Social Council of the recommendation of the Committee for Development Policy that Equatorial Guinea and Vanuatu be graduated from the least developed country category,

Recalling further that graduation becomes effective three years after the date on which the General Assembly takes note of the recommendation of the Committee and that, during the three-year period, the country remains on the list of least developed countries and maintains the advantages associated with membership on that list,

Reiterating its conviction that no country graduating from the least developed country category should have its development progress disrupted or reversed,

Recalling its resolutions 1998/46 of 31 July 1998, 2007/34 of 27 July 2007 and 2013/20 of 24 July 2013,

Bearing in mind the importance of maintaining stability in the criteria and in the application of the established procedures for inclusion in and graduation from the least developed country category so as to ensure the credibility of the process and, consequently, of the category of least developed countries, while giving due consideration to the specific challenges and vulnerabilities and the development needs of countries potentially graduating or being considered for graduation from the least developed country category,
